

A Free Book Place for Story Monsters®

Little Green Libraries are a way to encourage the love of reading in all students by providing FREE books for them to enjoy. Story Monsters® will continue to provide FREE books from our authors to the Little Green Libraries as they become available.

Little Green Libraries are distributed to Title 1 schools, children's hospitals, and organizations that support children with special needs. Each Little Green Library comes with 25 new books. Your organization will be added to our list of schools or organizations with a library, encouraging new books to be sent directly to you.
